Well now this could be last of all the rides we take
So hold on tight and don't look back
We don't care about the message or the rules they
make
I'll find you when the sun goes black

And you only live forever in the lights you make
When we were young we used to say
That you only hear the music when your heart begins to
break
Now we are the kids from yesterday

All the cameras watch the accidents and stars you hate
They only care if you can bleed
Does the television make you feel the pills you ate?
Or every person that you need to be

Cause you only live forever in the lights you make
When we were young we used to say
That you only hear the music when your heart begins to
break
Now we are the kids from yesterday

Today, today

We are the kids from yesterday
Today, today

Here we are and we won't stop breathing
Yell it out 'til your heart stops beating

We are the kids from yesterday
Today

Cause you only live forever in the lights you make
When we were young we used to say
That you only hear the music when your heart begins to
break
Now we are the kids from yesterday
We are the kids from yesterday
We are the kids from yesterday
We are the kids from yesterday

Today, today
