Remember me [4x]

Where
Where will we stand?
When all the lights go out
Across these city's streets
Where were you when
All of the embers fell
I still remember there
Covered in ash
Covered in glass
Covered in all my friends
I still
Think of the bombs they built

If there's a place that I could be
Then I'd be another memory
Can I be the only hope for you?
Because you're the only hope for me
And if we can find where we belong,
We'll have to make it on our own.
Face all the burn and take it on
Because the only hope for me is you
Alone

How would you be?
Many as after the disaster that we've seen
What we have learnt?
Of all the people burning
In purifying flame
I say it's okay
I know you can tell
And though you can see me smile
I still
Think of the guns they sell

If there's a place that I could be
Then I'd be another memory
Can I be the only hope for you?
Because you're the only hope for me
And if we can find where we belong,
We'll have to make it on our own.

Face all the burn and take it on
Because the only hope for me is you
Alone

The only hope for me
The only hope for me is you
The only hope
For me is you
The only hope
For me is you
The only hope
For me is you
The only hope

If there's a place that I could be
Then I'd be another memory
Can I be the only hope for you?
Because you're the only hope for me
And if we can find where we belong,
We'll have to make it on our own.
Face all the burn and take it on
Because the only hope for me is you
Alone

The only hope for me is you [12x]
Alone
