The world is ugly.
But you're beautiful to me.

Are you thinking of me?
Like I'm thinking of you.

I would say I'm sorry,
But I really need to go.
I just wanted you to know;

That the world is ugly
But you're beautiful to me.

Are you thinking of me?
Are you thinking of him?
You could say you're sorry,
But I think you both should go.

I just wanna heal tonight.
There's an ache in my heart

& there's a burning in my eyes

I can tell her this time,
But I'd rather her not try

I can find a new place
Where no one knows my life
But I think it's just a phase.

Oh, are you happy now,
Now that you got what you came for?
Are you, are you happy now?

Happy that you got what you came for?
Are you happy now,
That you got, what you came for?
Are you?

Are you happy now,
That you got what you came for?
