GO!

To un-explain the unforgivable,
Drain all the blood and give the kids a show.
By streetlight this dark night,
A sÃ©ance down below.
There're things that I have done,
You never should ever know!

And without you is how I disappear,
And live my life alone forever now.
And without you is how I disappear,
And live my life alone forever now.

Who walks among the famous living dead,
Drowns all the boys and girls inside your bed.
And if you could talk to me,
Tell me if it's so,
That all the good girls go to heaven.
Well, heaven knows

That without you is how I disappear,

And live my life alone forever now.
And without you is how I disappear,
And live my life alone forever now.

Can you hear me cry out to you?
Words I thought I'd choke on figure out.
I'm really not so with you anymore.
I'm just a ghost,
So I can't hurt you anymore,
So I can't hurt you anymore.

And now, you wanna see how far down I can sink?
Let me go, fuck!
So, you can, well now so, you can
I'm so far away from you.
Well now so, you can.

And without you is how I disappear,
And without you is how I disappear,

Whoa whoa... (And without you is how I disappear)
Whoa whoa... (And without you... is how, is how, is
how...)
Forever, forever now!
