This Is How I Disappear

Go!  
To un-explain  
The unforgivable  
Drain all the blood  
And give the kids a show  
By streetlight this dark night  
A seance down below  
There's things that I have done  
You never  
Should ever know

And without you is how I disappear  
And live my life alone forever now.  
And without you is how I disappear  
And live my life alone forever now.

Who walks among the famous living dead  
Drowns all the boys and girls inside your bed  
And if you could talk to me  
Tell me if it's so  
That all the good girls go to heaven  
Well heaven knows

That without you is how I disappear  
And live my life alone forever now.  
And without you is how I disappear  
And live my life alone forever now.

Can you hear me cry out to you,  
Words I thought I'd choke on  
Figure out I'm really not so with you anymore  
I'm just a ghost

So I can't hurt you anymore,  
So I can't hurt you anymore!

And now, you wanna see how far down i can sink? LET  
ME GO!

So you can

Well now so  
You can  
I'm so far away from you  
Well now so  
You can

And without you is how I disappear,  
And without you is how I disappear

Forever  
Forever now
