He calls the mansion not a house, but a tomb
He's always choking from the stench and the fume
The wedding party all collapsed in the room
So send my resignation to the bride and the groom

Let's go down! This elevator only goes up to ten
He's not around, he's always looking at men
Down by the pool, he doesn't have many friends as
they are
Face down and bloated snap shot with the lens

Would you marry me?
Would you bury me?
Would you carry me to the end?

Say goodbye
To the vows you take
Say goodbye
To the life you make
Say goodbye
To the hearts you break
And all the cyanide that you've drank

She keeps a picture of the body she lends
Got nasty blisters from the money she spends
She's got a life of her own and it shows by the Benz
She drives at 90 by the Barbie's and Ken's

If you ever say never too late, I'll forget all the
diamonds you ate
Lost in coma and covered in cake
Increase the medication, share the vows at the wake
Kiss the bride

Would you marry me?
Would you bury me?
Would you carry me to the end?

Say goodbye
To the vows you take
Say goodbye
To the life you make

Say goodbye
To the hearts you break
And all the cyanide that you've drank

Say goodbye
To the last parade
And walk away
From the choice you made
And say goodnight
To the hearts you break
And all the cyanide that you've drank

Say goodbye
To the vows you take
Say goodbye
To the life you make
Say goodbye
To the hearts you break
And all the cyanide that you've drank

And say goodbye
To the last parade
And walk away
From the choice you made
And say goodnight
To the hearts you break
And all the cyanide that you've drank

To the last parade
When the parties fade
And the choice you made
To the end
