And if they get me and the sun goes down into the  
ground

And if they get me take this spike to my heart and

And if they get me and the sun goes down

And if they get me take this spike and

You put the spike in my heart

And if the sun comes up will it tear the skin right off our  
bones

And then as razor sharp white teeth rip out our necks I  
saw you there

Someone get me to the doctor, someone get me to a  
church

Where they can pump this venom gaping hole

And you must keep your soul like a secret in your throat

And if they come and get me

You put the spike in my heart

And if they get me and the sun goes down

And if they get me take this spike and

[Chorus]

Can you take this spike?

Will it fill our hearts with thoughts of endless

Night time sky

Can you take this spike?

Will it wash away this jet black feeling?

And now the nightclub set the stage for this they come  
in pairs she said

We'll shoot back holy water like cheap whiskey they're  
always there

Someone get me to the doctor, and someone call the  
nurse

And someone buy me roses, and someone burned the  
church

We're hanging out with corpses, and driving in this  
hearse

And someone save my soul tonight, please save my  
soul

[Chorus]

Can you take this spike?  
Will it fill our hearts with thoughts of endless  
Night time sky  
Can you take this spike?  
Will it wash away this jet black now?

And as these days watch over time, and as these days  
watch over time  
And as these days watch over us tonight  
[x2]

I'll never let them, I'll never let them  
I'll never let them hurt you not tonight  
I'll never let them, I can't forget them  
I'll never let them hurt you, I promise

Struck down, before our prime  
Before, you got off the floor  
Can you stake my heart? Can you stake my heart?

Can you stake my heart? Can you stake my heart?  
(And these thoughts of endless night  
Bring us back into the light  
And this venom from my heart)

Can you stake my heart? Can you stake my heart?  
(And these thoughts of endless night  
Bring us back into the light  
Kill this venom from my heart)

Can you stake me before the sun goes down?

(And as always, innocent like roller coasters.  
Fatality is like ghosts in snow and you have no idea  
what you're up against  
Because I've seen what they look like.  
Becoming perfect as if they were sterling silver  
chainsaws going cascading...)
