sister, I'm not much  
a poet but a criminal  
and you never had a chance

love it or leave it  
you can't understand  
a pretty face but you do so  
carry on, and on, and on

i wouldn't front the scene if you  
paid me  
I'm just the way that the doctor  
made me  
on, and on, and on, and on

love is the red  
the rose on your coffin door  
what's life like bleeding  
on the floor, the floor, the floor

you'll never make me leave  
i wear this on my sleeve  
give me a reason  
to believe

so give me all your poison  
and give me all your pills  
and give me all your hopeless hearts  
and make me ill  
your running after something  
that you'll never kill  
if this is what you want  
than fire at will

preach all you want but whose gonna  
save me  
i keep a gun on the book you  
gave me  
hallelujah  
lock and load

black is the kiss

the touch of the serpent son  
it ain't the mark or the scar

that makes you  
one, and one, and one  
(and one)  
you'll never make me leave  
i wear this on my sleeve  
give me a reason  
to believe

so give me all your poison  
and give me all your pills  
and give me all your hopeless hearts  
and make me ill  
your running after something  
that you'll never kill  
if this is what you want  
than fire at will

you'll never make me leave  
i wear this on my sleeve  
you want to follow something  
give me a better

cause to lead  
just give me what i need  
give me a reason  
to believe

so give me all your poison  
and give me all your pills  
and give me all your hopeless hearts  
and make me ill  
your running after something  
that you'll never kill  
if this is what you want  
than fire at will

so give me all you poison  
and give me all your pills  
and give me all your hopeless hearts  
and make me ill  
your running after something  
that you'll never kill  
if this is what you want  
than fire at will
