Every girl wants a fairy tale
I guess I do too
We're restless, we're young
With so much to prove

You ask me to wait
But wait, I won't do
'Cause the time I've been wasting
I could be spending with you

Take me, we'll runaway
Out of this town till it fades
And they'll say we're wrong
But with you I'm alright, either way

Money can burn
And money can talk
But its love that makes the girl
Get up and walk

All I want is my turn
Yeah, I could be happy
Just living to learn

So take me, we'll runaway
Out of this town till it fades
And they'll say we're wrong
But with you I'm alright, either way

Take me, we'll runaway
Out of this town till it fades
And they'll say we're wrong
But with you I'm alright, either way

We'll runaway
I can't take this town one more day
And they'll say we're wrong
But with you I'm alright, either way

Every girl wants a fairy tale
I guess I do too
