

My Darkest Hate "Hellspawn"

Visit "[Hellspawn](#)" on MotoLyrics.com

Being tortured by the curse of the darkest divine life
He calls his master with his deepest hatred cry
Has changed the side, a price to pay
Hatred growing deeper, has gone insane

Darkest
Hate
HELLSPAWN
Awake

Knowing that he is dead, but his mind has got a part to
play
In this game, rotten by the lacking rules
Hellspawn, you will be his sword
Leading now the army of the underworld

Darkest
Hate
HELLSPAWN
Awake

I call thee
Immortal
I call thee
Immortal

HELLSPAWN
HELLSPAWN
HELLSPAWN
HELLSPAWN
