Your arms around my neck,
I'm holding you so tight,
And am I dreaming?
Will you wake me if I'm right?
Your lips around my tongue and I am calling,
"Will you catch me falling?"
This is the right time, for,

Kissing you in the driveway,
Kissing you right through the night.
You're everything I dream about.
You're everything I scream about.
Kissing you in the driveway,
Kissing you right through the night.
I wanna be with you all alone,
I'll wait until your dad comes home.
Kissing you in the driveway.

Turn out the light and hold my hand,
You're breathing.
And I still think I'm dreaming,
Wake me if I'm right.
Your ears are soft,
I whisper that I love you.
Let just run away,
Lets just hide and run away.

Kissing you in the driveway,
Kissing you right through the night.
You're everything I dream about.
You're everything I scream about.
Kissing you in the driveway,
Kissing you right through the night.
I wanna be with you all alone,
I'll wait until your dad comes home.
Kissing you in the driveway.

Do you wonder,
If in 20 years this song will even count?
Will you remember kissing me under the stars?
Will you look back, pick up a photograph and hide
inside your room,

And think about the simple times?

Kissing you in the driveway,
Kissing you right through the night.
You're everything I dream about.
You're everything I scream about.
Kissing you in the driveway,
Kissing you right through the night.
I wanna be with you all alone,
I'll wait until your dad comes home.

Kissing you in the driveway,
Kissing you right through the night.
You're everything I dream about.
You're everything I scream about.
Kissing you in the driveway,
Kissing you right through the night.
I wanna be with you all alone,
I'll wait until your dad comes home.
Kissing you in the driveway.
Kissing you in the driveway.
Kissing you in the driveway.
