And he's so smooth, he's got her right where he wants her pants down, eyes shut and he swears, he swears that he loves her. she knows what she's doing is wrong but he's got a little thing called sweet talk, so she's falling for this again.

it's the way she moves her head, it's the way - -

now she's got nothing at all to say, she's the princess, the prince just strolled away leaving her with nothing but embarrassment and a stomach full of guilt. now look at the mess you've made. this family will never be the same but you've cleaned it up okay. those three mistakes were the best you've ever made.

it's the way she moves her head, it's the way - -

you're so good at making excuses for your mistakes, not this time. she fell down and got up again, she never saw it coming, no not again.

it's the way she moves her head, it's the way - -

you're so good at making excuses for your mistakes, not this time. she fell down and got up again, she never saw it coming, no not again
