I've got a beggin' woman  
She keeps on beggin' me  
She'll even try to beg  
A possum out of a tree

You know she's a beggin' woman  
And I can see it in her eyes  
She's got a handful of gimme  
And a mouthful of much obliged

She begs in the mornings  
She sleeps in the afternoons  
She stays up all night  
To beg the man in the moon

You know she's a beggin' woman  
And I can see it in her eyes  
She's got a handful of gimme  
And a mouthful of much obliged

She'll beg Aunt Penny  
And she'll beg Uncle Jake  
She'll even beg the sweetness  
Out of a ginger cake

You know she's a beggin' woman  
And I can see it in her eyes  
She's got a handful of gimme  
And a mouthful of much obliged

She'll beg the plant out of your plantation  
Beg New York to a flag station  
She'll even hang around  
To beg the United Nations

You know she's a beggin' woman  
And I can see it in her eyes  
She's got a handful of gimme  
And a mouthful of much obliged
