I know a girl who's been through it all

Her friends all think that she is a fragile one

She is a true rolling stone

Picked up and thrown out the house she grew up in

Stay out

I ain't going back there no more

Keep out

I don't want your thoughts no more

You are

Never going to be a part of my fantasy world

My fantasy world

She left home when she was only thirteen

Lived in the woods outside the twin cities
And it was cold

And she was alone

That's when you find the strength to do anything

Stay out

I ain't going back there no more

Keep out

I don't want your thoughts no more

You are

Never going to be a part of my fantasy world

My fantasy world
