Don't be a fly on a recipe,
be a rough rider tackling the waves.

They'll split your bow,
plant yourself on the bridge.

You're tearing through the wind.

That's what I see in you.

And why you always win.

The cold sets in your tough skin.

Your wet hair sticks,
sticks to your stoic face.

I know you'll see it through.

You don't have a foolish eye,
like so many do.

-Chorus:

Here comes success you're gonna get all you want.

Every wave will take all that you got,
so go ahead and let the temperature fall.

When your feet finally reach the deep I'll say

Bully for you.

Bully for you.

Bully for you.

Teddy R. would say bully for you.
Untie the ropes and leave the shore.

Feel my joy on your face.

Your beating heart sounds like a symphony.

That's what you mean to me.

I guess we'll always be

on a restless sea.

-Chorus:

Here comes success you're gonna get all you want.

Every wave will take all that you got,

so go ahead and let the temperature fall.

When your feet finally reach the deep I'll say

Bully for you.

Bully for you.

Bully for you.

Teddy R. would say bully for you.

-Chorus:

Here comes success you're gonna get all you want.

Every wave will take all that you got,

so go ahead and let the temperature fall.

When your feet finally reach the deep I'll say

Bully for you.

Bully for you.

Bully for you.

Teddy R. would say bully for you.

You won't let the deep swallow you.

You can dive into euphoria.

You won't let the deep swallow you.

You can dive into euphoria.

You won't let the deep swallow you.

You can dive into euphoria.

Untie the ropes.
