Is it wrong to sing to a child in a minor key

Will she learn from me to smile

Or will she see right through my eyes

And wonder what is wrong with me

I'll see to you Callidora

I'll see to you

Don't stay away from the waves so high

Listen to the sea without a shell

Why don't you

An invitation to arrive in a world that has few answers

Those that run we will never know  
If your dreams don't come in time

Won't you talk to me and tell me how scared it makes  
you

Cause I'll see to you Callidora

I'll see to you

Don't stay away from the waves so high

Listen to the sea without a shell

Why don't you...
