I know myself

I know myself

I'm coming back from yesterday

I've seen the wall

I know it's shape

I'm coming back from yesterday

I'll life it up

I'll raise it high

I'm coming back from yesterday

I'll tear it down

Say fuck it all

I'm coming back from yesterday

I'll hold

I'll hold the weight that's over me

I won't let my mind slip back in time I know myself

I know myself

I'm coming back from yesterday

I've seen the wall

I know it's shape

I'm coming back from yesterday

I'll tear it down

I'll break the wall
I'm coming back from yesterday

Well I'll hold

I'll hold the weight that's over me

I'll hold

I'll hold the weight that's over me

I won't let my mind slip back in time

I know myself

I know myself

I'm coming back from yesterday

I've seen the wall

I can break the wall

I'm coming back from yesterday

I'll tear it down

I'll tear it down

I'm coming back from yesterday

I know myself

I know myself

I'm coming back from yesterday
