

Cousin Kevin "Keep Awake"

How long will it take to beat disaster

A play on words might help me

We'll keep ourselves awake until the morning light

Dirtyes the room we sleep in

The room we sleep in

We'll keep ourselves awake

We'll keep them all away

We'll keep ourselves awake
(I'll be moving towards you)

I felt a crowd fall down from a stage dive

I'm in the air again
And should I be thrown

Well pass the exit sign to someone that you don't know

Someone you don't know

We'll keep ourselves awake
(I'll be moving towards you)

We'll keep them all away
(I'll be moving towards you)

We'll keep ourselves awake
(I'll be moving towards you)
