Your lipstick covers me.

It stays when you leave.

It's red like a setting sun.

I'm gonna wear it home.

-Chorus:7

You painted me.

You painted me.

I wish I was the only one.

Your lipstick comforts me.

Your lips keep touching me.

I don't feel the lies.

I know they all can see.

-Chorus:

You painted me.

You painted me.

You painted me.

You painted me.

-Solo

-Chorus:

You painted me.

You painted me.

You painted me.

You painted me.

I wish I was the only one.

I wish I was the only one.

When I'm on the stage

you wont be a memory,

cause there's a sea of red

and it's coming to me.

It's red, it's red, I remember it red.

It's red, it's red, I remember it red.

Now it's gone like a setting sun.

You're gone like a setting sun.

You're gone like a setting sun.

You're gone like a setting sun.

You're gone like a setting sun.

You're gone.
