Oh well.

If you don't wanna try.

Too late.

If you leap from a high.

Alright.

You're the only one that knows to fly.

Oh well.

Your umbrella folds in the sky.

Too late.

If you drop like a fallen man.

Alright.

And you land on a ferris wheel.

Oh well.

It'll spin you up a tumbling.

Too late.

The atmosphere will cook you up in an oven.

-Chorus:

I think about the things that I should know.

I wasted my youth on television, you'll never get it back  
so you might as well say oh well.

I think about the things that I should know.

I wasted my youth on television, you'll never get it back

so you might as well say oh well.  
It's too late.

Well alright.

Your gonna take it all on.

Oh well.

If your instrument makes you sigh.

Too late.

If you let it rot outside.  
Alright.

If you play it like the music man.

Oh well.

They discover that you're just a con man.

Too late.

If they chase you down.

Alright.

If you win the triple crown.

Oh well.

If noone buys the things that you sell.

Too late.

If you fall into your own wishing well.

-Chorus:

I think about the things that I should know.

I wasted my youth on television, you'll never get it back  
so you might as well say oh well.

I think about the things that I should know.

I wasted my youth on television, you'll never get it back  
so you might as well say oh well.

-Solo:

It's too late.

Oh well.

It's too late.

Oh well.

It's too late.

Oh well.
