I'm feeling palpitations.

My heart keeps on skipping.

I can't be so courageous,

when my breathing is suffocated.

-Chorus:

Palpitations,

I'm feeling them come no consolations,

when you go it alone.

Have you ever made your heart slow?

Have you ever made your heart slow?

There's got to be a reason.

It's not me that's gonna listen.

Why can't I decide to...

make my heart slow.

-Chorus:

Palpitations,

I'm feeling them come no hesitation,

when you go it alone.

Have you ever made your heart slow?

Have you ever made your heart slow?

All my downed wishes

have led to my condition.

I will mark my own time.

I will mark my own time.

Palpitations.

...Never make my heart slow down.

Palpitations.

...Never make my heart slow down.

Palpitations.

...Never make my heart slow down.

Palpitations.

...Never make my heart slow down.

Palpitations.

...Never make my heart slow down.

Palpitations.

...Never make my heart slow down.

Palpitations,

...Never make my heart slow down.

Palpitations,

Never make my heart slow down.

Never make my heart slow down.

Never make my heart slow down.

Never make my heart slow down.

Never make my heart slow down.

Never make my heart slow.
