I can't stop thinking of you
I don't want to say it
I can't stop remembering you
I don't want to think it
All the promises I made to you
I broke
But you still live so close to me
You said you wouldn't sell your ring
And it's so hard to let go
It's so hard to let go
I know our past must go
I'll give you the time you need
You threw a party just for me
Yes, it was perfect
Then you slept with an angry man
I'm sorry that I felt it
All the promises I made to you
I broke
But you still live so close to me
I hope you didn't sell your ring
And it's so hard to let go
It's so hard to let go

I know our past must go

I'll give you the time you need
