Would you die for me?  
If I say please?  
Would you call my name?  
There's no other way to live with it  
I will knock on your door every night to beg you  
I will write your name on the wall everyday  
To show you the way

I'll never kill you  
I'll tell you to  
I'll tell how  
I'll tell you how to do

Would you die for me?  
If I say please?  
Would you sacrifice?  
Would you call my name?

On the second day, I'll bring you flowers  
Cause your more beautiful than any woman I've seen  
And the smell of the rose will be the last thing  
You'll recall when you will be dead  
So read your name  
Just once please  
My hand, your blood

I'll never kill you  
I'll tell you to  
I'll tell how  
I'll tell you how to do

Would you die for me?  
If I say please?  
Would you sacrifice?  
Would you call my name?

Die for me  
If I say please  
Die for me  
If I say, I say please  
Please

So read your name  
Just once please  
My hand, your blood
