Stop, do you remember my name  
Coz all these cuts and bruises on my brain  
Yes darling you're to blame  
Maybe Im dying maybe this is my time  
Im a dirty dirty alcoholic darling you're my dirty wine  
Lets go  
Ive been chasing broken hearts  
In these alleys of the night  
Tell me something darling  
Tell me something darling  
I wont like  
Youve got your head in the ground  
And you got past me  
You got your head in the ground  
And you got past me  
You know I couldnt see  
Wind me up and wind me up  
Then darling wont you let me go  
Your tears have covered these walls for so long  
I can no longer call this house a home  
Maybe Im dying maybe this is my time  
Im a dirty dirty alcoholic darling you're my dirty wine  
Lets go  
Ive been chasing broken hearts  
In these alleys of the night  
Tell me something darling  
Tell me something darling  
I wont like  
Youve got your head in the ground  
And you got past me  
You got your head in the ground  
And you got past me  
You know I couldnt see  
I didn't want what I got but I got it  
I didn't want what I got but I got it  
Said she didn't want it but everybodys got it  
Youve got your head in the ground  
And you got past me  
You got your head in the ground  
And you got past me  
Youve got your head in the ground  
Then you got past me

You got your head in the ground  
And you got past me  
You know I couldnt see
