You live your life  
Just to let yourself go  
You are the lowest  
The lowest of low  
Beg for me crawl for me  
Down on your knees  
You're a sex junkie  
You'll do as I please

Harder Faster  
Harder Faster

Secrets of lust  
That you keep in your mind  
Victims like you  
Are so easy to find  
First name is dirt  
And your last name is sleaze  
You're a sex junkie  
You'll do as I please

Horny ideas  
They just clog up your brain  
Destruction Vice  
Or you'll just go insane  
Degrading darkness  
You live just for these  
You're a sex junkie  
You'll do as I please

Two-hundred million bodies sold  
You come walking  
Through the night  
Your flesh is hot  
You cring with fright  
You perspire through your clothes  
Your thing it grows  
And grows and grows  
Sex hormones dropped  
From out of the sky  
Millions Orgasm

Until they die  
Squirming Flesh  
You beg for more  
You live for sex  
There is no more  
Eat Me
