Feeling cold, your breath it freezes me so cold
When you talk slow
And no one even knows about us
Well grow grow grow
Well grow and well grow
Till we feel old
Take a step, right back
Lose yourself and cut your hair
Take a step, right back
Lose yourself and cut your hair
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God
Nobody trusts a tall man
He can see further than we can
Don't trust that man
And who didn't shut the door tight
Your parents will see hermaphrodites
Through your sons eyes
Take a step, right back
Lose yourself and cut your hair
Take a step, right back
Lose yourself and cut your hair
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God
Nobody trusts a tall man
He can see further than we can
Don't trust that man
And who didn't shut the door tight
Your parents will see hermaphrodites
Through your sons eyes

Take a step, right back
Lose yourself and cut your hair
Take a step, right back
Lose yourself and cut your hair
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God she's leaving
Said she's leaving
O thank God
