You might be dumb
But you're the most beautiful creature
Ive ever seen in my life
Cupid aint a friend of ours darling
Hes a friend of time
You might be a bitch
But you're the most beautiful creature
Ive ever seen in this life
You can get away
With saying anything to me darling
With that smile
Well burn the kids, well burn the trees
Well learn to speak a little Japanese
Well burn the kids, well burn the trees
Well learn to speak a little Japanese
Baby, baby, baby, baby
Where have you gone baby
You said you'd only be two minutes (baby)
And now you been too long baby
Baby, baby, baby, baby
Where have you gone baby
You said you'd only be two minutes (baby)
And now you been too long baby
Youve been too long
You might be dumb
But you're the most beautiful creature
Ive ever seen in my life
You can take away my everything
Everything everything everything
With those eyes
You might be a bitch
But you're the most beautiful creature
Ive ever seen in my life
You can take away all my days of
Drinking smoking laughing
With that smile
Well burn the kids, well burn the trees
Well learn to speak a little Japanese
Well burn the kids, well burn the trees
Well learn to speak a little Japanese
Baby, baby, baby, baby
Where have you gone baby

You said you'd only be two minutes (baby)
And now you been too long baby
Baby, baby, baby, baby
Where have you gone baby
You said you'd only be two minutes (baby)
And now you been too long baby
Youve been too long
