Hey u !  
R u pickin' on me  
U tell me that i'm wrong  
But all i can see  
Is your state o' slavery  
Hey u !  
R u longin' 4 me  
U'll never see me  
Creepin' down on your knees  
Once again  
I'll spread my wings

(chorus)  
I'll fly away  
Searchin' 4 my private heaven  
N' i'm not scared 4 what will happen  
I'll fly away  
I'll be guided by my emotions  
Then i don't care my destination

None  
Will bring me under nomore  
I am the one who'll run away  
From this gorge  
Where everybody use to live  
This is  
The only chance that i have  
I'm goin' to do n' try  
Anythin' that i can  
Not to b another one o' u

(chorus)  
I'll fly away  
Searchin' 4 my private heaven  
N' i'm not scared 4 what will happen  
I'll fly away  
I'll be guided by my emotions  
Then i don't care my destination

I'm getting' to close to the sun  
My wings r burnin'

I take a look at the world below  
Before fallin'

(chorus)  
I'll fly away  
Searchin' 4 my private heaven  
N' i'm not scared 4 what will happen  
I'll fly away  
I'll be guided by my emotions  
Then i don't care my destination
