I'm roamin' thru the distance
O' a desert land
Dressed in the dark o' my tunic
I'm searchin' 4 my lord
He's the black one
He's callin' me

(chorus)

I am the one who
Has broken the chains o' the holy law
I am the one who has fallen
From the grace o' the holy reign

I am the prince o' shadow
I am the lord o' evil
N' i will tempt the heart o' god

U r my messiah
U r the true messiah
Cum in n' take my soul

The good father
Creep down on my knees
I'll show no mercy
No mercy 4 him
He has dared to exile me away
4 i have challenged
The grand o' his name

(chorus)

I am the one who
Has broken the chains o' the holy law
I am the one who has fallen
From the grace o' the holy reign

The story that was written
Is full o' my dark presence
All wars n' jenocide
That the human race has seen
Where r u god
With all your promises o' love
