Just a speedtown girl on a saturday night
Lookin' for the fight of her life
In the real time world none sees her at all
They all say she's crazy

Lockin' rhythm goes to the beat of her heart
Changin' movement into light
She had danced into the danger zone
Where the dancer becomes to dance

It can cut like a knife
If the heat becomes the fire
On the wire between will and what will be

She's a maniac, maniac
On the floor
And she's dancing like she never danced before.
She's a maniac, maniac
On the floor
And she's dancing like she's never danced before.

On the ice blue line of insanity
Is a place most never see
It's a hard won place of mistery
Touch it but you can't hold it

You work all your life for that moment in time
It could come or pass you by
It's a push up world but that's always a chance
If the hunger stays the night

There's a cold kinetic heat
Strugglin' stretchin' for the peak
Never stoppin' with her head against the wind

She's a maniac, maniac
On the floor
And she's dancing like she's never danced before.
She's a maniac, maniac
On the floor
And she's dancing like she's never danced before.

Ohhhh, ahha
She's a maniac
She's a maniac
Ohhh... ahhh...

It can cut like a knife
If the heat becomes the fire
On the wire between will and what will be
