One million chances i found tonite  
You are there to be my guide  
Carryin' me to your absence of light  
And i want it

Tell me something new  
Tell me something strange  
Overall the sense of this pouring rain  
All i left behind  
All the tears i cried  
Fallin' down and down from my bleedin' eyes

You are the other part o' me  
Increasin' day by day  
You are the contrary of the light  
My worst enemy

(give me your soul tonite)  
And i'm ready for you  
(give me your heart tonite)  
And i accept my destiny for you  
(i want everything of you)  
You are the mirror where i'm watching thru

Turn my mortal flesh  
Into grains of sand  
Turn my tearing eyes  
In the darkest night  
Let me be your slave  
Let me fade away  
In your open arms  
I will find my god

You are the other part o' me  
Increasin' day by day  
You are the contrary of the light  
My worst enemy

(give me your soul tonite)  
And i'm ready for you  
(give me your heart tonite)  
And i accept my destiny for you

(i want everything of you)  
You are the mirror where i'm watching thru

One million chances i found tonite  
You are there to be my guide  
Carryin' me to your absence of light  
And i want it

(give me your soul tonite)  
And i'm ready for you  
(give me your heart tonite)  
And i accept my destiny for you  
(i want everything of you)  
You are the mirror where i'm watching thru
