I've got a chrysalis of hate
That's growin' inside
And i can feel this
Day by day
I pour all my energy in this
Negativity
My heart is a cold flame
Of shadows

I fear for that time to come
The day i'll reborn
Dressed with the image
Of a new man
And surely i will forget
The promise i've made
To myself
To be something better

(chorus)
I have tried and tried to fight
The haunting flavour
Of my stupid failures
Nothing left to say to me
I can only feel
A chrysalis of hate

A chrysalis o' hate
Is what i feel growin' inside
An overcomin' change that i can't stop
I know i'll never b the same
But i'm not 2 blame
Life has shattered my dreams n' my hopes

(chorus)
I have tried and tried to fight
The haunting flavour
Of my stupid failures
Nothing left to say to me
I can only feel
A chrysalis of hate

I fear for that time to come

The day i'll reborn
Dressed with the image
Of a new man
And surely i will forget
The promise i've made
To myself
To be something better

(chorus)
I have tried and tried to fight
The haunting flavour
Of my stupid failures
Nothing left to say to me
I can only feel
A chrysalis of hate
