"So far from your heart, babe  
How can u kill this love"

As the world is sleepin' at night  
You know I think around my life  
It was like a dream  
Now it's just a nightmare  
All the ways you're draining my eyes  
All the pain you make me cry  
All I get is this vengeance of you  
I ain't got the courage to defend

[Chorus]

So far from your heart  
Babe  
Why do you let me fall  
So far from your heart  
Darling  
How can you kill this love

I hope these words catch you inside  
I wish they enter your private life  
I am down on my knees  
Please don't make me suffer  
The times we tried to reach for the sky  
Now I guess I was so blind  
Oh, I was just the one  
To hope our dream came true

[Chorus]

So far from your heart  
Babe  
Why do you let me fall  
So far from your heart  
My darling  
How can you kill this love

"How can you kill me inside"

[Solo]

[Chorus]
