She made a mess o' me
My heart is so withered
I could never feel
A love deeper than this
A love that none will never see

(bridge)
The lies she told me
That sound like truth from her lips
She set me up (i know) just 2 make me fall
The times she hurt me
N' brought me down (yes i know)
She feast her eyes on me
Every time i creep

Oh my god, what's happened 2 me
Have u ever seen a sore like this
Everything i made 4 her eyes
Everything i'll make until i die

(bridge)
She was my angel
But she had a heart o' stone
I can't avoid 2 b drawn 2 her beamin' wings
She is my sunset
She is the dark i'm waitin' 4
She is the black void where i've lost my soul

(chorus)
Cum'on n' take 'em
Cum'on n' steal'em
All the most preacious things that i have
Cum'on n' take me
Cum'on n' kill me
I was born just 2 give u my life
I set my heart on u
If i'm killin' myself it's 4 u

Thru a veil o' dark (thru a veil o' dark)

Still i can feel the chant o' her lips
Still i can feel the flavour o' her poisoned kiss

Still i'm feelin' caught in a web
She has made me fall in her gentle hell

(bridge)

She was a flower
Her petals tainted o' death
She was the steril field
Where i've dug my grave
She was my angel
But she had a heart o' stone
I can't avoid 2 b drawn 2 her beamin' wings

(chorus)

Cum'on n' take 'em
Cum'on n' steal 'em
All the most preacious things that i have
Cum'on n' take me
Cum'on n' kill me
I was born just 2 give u my life
I set my heart on u
If i'm killin' myself it's 4 u

Just like wathcin' the world
Onthru a veil o' dark
Thru the veil o' my poor helpless life
