Don't deny me
The secret beauty that u hide inside your heart
Just it takes
4 me n' u 2 keep this feeling strong
Please consider
What i tell u just 4 as it sounds
So love me
"cause this way is what we are bound

(pre-chorus)
It's my gaze onthru the dark
It ain't worth livin' without your spark

(chorus)
Lie down just beside me n' hold me
Tell me just the words i'm longin'
Please avoid i fall behind u
I don't wanna let u down

I can't tame this frenzy
That everinite don't really make me sleep
Despite i tried
2 set u apart
I can't avoid this think o' u
It's 4 u put me
Thru my passes
I can't resist no more
All i want is
2 have u by myside
I will never let u go

(pre-chorus)
It's my gaze onthru the dark
It ain't worth livin' without your spark

(chorus)
Lie down just beside me n' hold me
Tell me just the words i'm longin'
Please avoid i fall behind u
I don't wanna let u down

Don't wanna let u down
