Why don't you just gouge out your eyes
Your already blind
Well I'm so tired of the lies
Just slit your little throat

Just hold me down
Like the grasp from my dreams
And play god
As venom bled from my eyes, as I cried
I'm divided by your lies

Eating my insides
Your just a parasite in me

Why wont you see me
Why can't you feel me
Have a little taste of my infection

Breathe the words of my disdain
Maybe then your lips could feel the pain
There's no still time for reflection

Forever lasts but days

Just hold me down
Like the grasp from my dreams
And play god
As venom bled from my eyes, as I cried
I'm divided by your lies

Turn my gaze up to the sky
Which is now a river of blood and corpses in my eye
Looking for a little help here I'm paralyzed
I'm paralyzed
Yeah God damn right I'll die
