

My Suicide Dream "Craving Affliction"

Visit "[Craving Affliction](#)" on MotoLyrics.com

This is a fading illusion
Let my hypocrisy abolish me
Just like I have some disease
And for this lowly obsession
For this craving attention
God I've never felt so desperate

Lay me down
Play me out
My heart is gray with affliction
Lay me down
Play me out
My heart is gray

Give me your divided attention
Look to me to manifest your lies
In place of my hopes and my dreams
Wont you hold me up high
Would you dare to love me
God I've never felt so desperate
