Anytime you want me just say so
Cause when it comes to you i can't say no
Anytime you want me just say so
Cause when it comes to you i can't say no
There's somethin about ya babe
I aint livin without ya babe
So I'll let you know
Anytime you want me just say so
Somethin bout the way you move always gets me in the
mood
And every lil thing you do makes me wanna get with
you
Maybe it's the way you flow that makes me wanna lose
control
Well maybe i should let you know
Anytime boy just say so
Chorus:
- anytime you want me just say so
-cause when it comes to you i can't say no
-there's somethin about ya babe
-i aint livin without ya babe
-so I'll let you know
-anytime you want me just say so
There's somethin bout the way you smile
Always seems to drive me wild
Maybe it is just your style
That makes me wanna stay awhile
We can take it nice and slow we can turn the lights
down low
Don't nobody have to know i wont tell how far we go
(chorus)
I think about you every night n day
You're on my mind
I never thought that i would feel this way
I can't deny
That when i think of you
I seem to lose my cool
Here i go, boy you know
Anytime you want me just say so
(chorus till end of song)
