Yeah, bring me a violin in

Yeah, check it

Mya, uh, the beautiful

With Tim & Bob yeah

It's real talk

It's real good, yeah

Here we go

Verse 1

He came up and approached me, gentle and very sexy

Had a little conversation, just enough to impress me

He looked so delicious, but I could tell what was on his  
mind

I know he wants to taste the, honey that's inside

He's so sexy, but I gotta resist him

Can't let him get it, cuz he just wants it for one night

I need me a rider, cuz I'm not that common

So I gotta resist him, cuz he just wants it for one night

He's the kind that won't wifey you, he just wants it for  
one night

He just wants to push up on me and leave after just one  
night

If I were you I'd wanna hit this too

So I can't even hate, on the stunt you're trying to pull

But I got a couple drinks in my system

So I'm trying extra hard to resist ya

But the baby face and the pinky ring ain't helpin' the  
situation

However, I ran up on your kind before

With that smooth swagger you get em all

But you just ran into a wall

I ain't fallin' for that

Look over there that girl may be, easier to get at than  
me

One more time baby quite frankly, I ain't fallin' for that

He's so sexy, but I gotta resist him

Can't let him get it, cuz he just wants it for one night

I need me a rider, cuz I'm not that common

So I gotta resist him, cuz he just wants it for one night

He's the kind that won't wifey you, he just wants it for  
one night

He just wants to push up on me and leave after just one

night  
He's the kind that won't wifey you, he just wants it for  
one night  
He just wants to push up on me and leave after just one  
night  
I ran up on your kind before  
With that smooth swagger you get em all  
But you just ran into a wall  
I ain't fallin' for that  
Look over there that girl may be, easier to get at than  
me  
One more time baby quite frankly, I ain't fallin' for that  
He's so sexy, but I gotta resist him  
Can't let him get it, cuz he just wants it for one night  
I need me a rider, cuz I'm not that common  
So I gotta resist him, cuz he just wants it for one night  
(2x)  
He's the kind that won't wifey you, he just wants it for  
one night  
He just wants to push up on me and leave after just one  
night (2x)
