Its been five hours since you left here boy  
Said you'll be 'round the block had to make a stop  
So I kept yo dinner hot hot hot  
And I've been waiting for you ever since

But it's three in the morning yea  
Cause three turns into four and four turns into five then  
6  
Was around what you tyrna do baby make me cry  
I don't know what i did but I know what I'm going do  
I'm gonna find you

I'm ridin' ridin'  
Pass yo mama's house  
You got me ridin' ridin'  
Pass yo boys house  
You got me ridin' ridin'  
I'm ridin' tyrna find you  
Baby you got me out here looking for you  
I'm ridin' ridin'  
Pass that bitch's house  
You got me ridin' ridin'  
By all yo ex's house  
You got me ridin' ridin'  
I'm ridin tryna find you  
Baby you got me out here looking for you

When you stepped to me you had nothin  
But the shoes on your feet no place to sleep  
So I let you lay your head on my pillow  
You didn't have a dime so hepled you find your grind  
just a waste of time  
And I played the fool for you

It's three in the morning  
And it's not a weekend oh oh  
Cause three turns into four and four turns into five then  
six  
Was around what you tyrna do baby make me cry  
I don't know what i did but I know what I'm going do  
I'm gonna find you

I'm ridin' ridin'  
Pass yo mama's house  
You got me ridin' ridin'  
Pass yo boys house  
You got me ridin' ridin'  
I'm ridin' tryna find you  
Baby you got me out here looking for you  
You got me ridin' ridin'  
Pass that bitch's house  
You got me ridin' ridin'  
By all yo ex's house  
You got me ridin' ridin'  
I'm ridin tryna find you  
Baby you got me out here looking for you

I been sipping on RedBull so there ain't gone be no  
sleep tonight  
Not gonna let you go oh no without a fight  
See you the type that make a girl do things she know  
ain't right  
You're out again and I'm driving fast  
Where you at where you at where you at

I'm ridin' ridin'  
Pass yo mama's house  
You got me ridin' ridin'  
Pass yo boys house  
You got me ridin' ridin' (ooh you got me ridin' ridin')  
I'm ridin' tryna find you  
Baby you got me out here looking for you (baby you got  
me out here looking for you)  
You got me ridin' ridin'

By all yo ex's house (by yo ex's house)  
You got me ridin' ridin'  
I'm ridin tryna find you (find you)  
Baby you got me out here looking for you

It's three in the morning  
It's four in the morning  
It's five in the morning  
Where you at where you at where you at

It's three in the morning  
It's four in the morning  
It's five in the morning  
Where you at where you at where you at
