Yeah Mya
Red Zone wha what?
Uh

It's after midnight
And she's on your phone (phone)
Saying come over
Cause she's all alone (lone)
I could tell it was your ex
By your tone (tone)
Why is she calling now?
After so long

1 Now what is that she wants?
Tell me what is that she needs?
Did she hear about the brand new Benz?
That you just bought for me
Cause y'all didn't have no kids
Didn't shared no mutual friends
And you told me that she turned trick
When y'all broke up in '96

2 - What'cha gonna do
When you can't say no
When her feelings start to show
Boy I really need to know
And how you gonna act
How you gonna handle that
What'cha gonna do when she wants you back

Repeat 2

There's no need to
Reminisce about the past (past)
Obviously cause that shit did not last (last)
I know how a woman will try to game you (you)
So don't get caught up
Because baby you'll lose

Repeat 1

Repeat 2 (4x)

Tell me why she on the phone?
In the middle of the night
Tell me why she in your life?
Trying to get what's mine
She don't know me
She's about to know me
I'm in your life
That's how it's gonna be
I've seen the broke ho
She ain't even all that
So if you want her back
You can take her back
Cause game recognize game
I could do the same thing
Get it right, change
Or take back this ring

Repeat 2 (4x)

Yo, playboy right now, uh
Uh, Mya, think girl, think girl
What? What? What? What? Uh!
Red Zone, wheeoooh
