Oh
La la la la la
Yeah ,yeah ,yeah
La la la la
La la la la
La la la La la

Tried to go on my way without you, oh
Why did you go (Why did you go)
Everyday I'm lost without you, oh
I just don't know (I just don't know)
We were laughing and joking like nothin'
Then you got taken from me all of a sudden, oh
Why did you leave me (Why did you leave me)
You were my homie
My nigga
My sister
When I needed you there you would listen
I seen a rainbow yesterday
Remember you use to say
After the rain

After the rain
The sun shines
Then a brighter day (Mmm)
After the rain
Change comes
Nothing stays the same (Mmm)
After the rain
The sun shines
Then a brighter day
After the rain
Things gonna change
There's no more pain
After the rain

Memories falling on my pillow, oh
And I hear that slow
They say that
You don't know what somebody really truly means
Until their gone (Until their gone)
You were my homie

My nigga
My sister
And I'm tryin' so hard but I miss you, oh
How can this be (How can this be)
Doors will open and with you
I'd walk through
Now I'm here by myself
Girl I need you
No one can ever feel your shoes

Your one in a million, you
Oh you use to say

After the rain
The sun shines (Mmm)
Then a brighter day (After the rain)
After the rain
Change comes (Yeah)
Nothing stays the same (Things will get much better,
yeah)
After the rain
The sun shines
Then a brighter day
After the rain
Things gonna change
There's no more pain
After the rain (After the rain)

Every little drip drop won't stop
Got me cryin' waterfalls, yeah
Cause I miss you
And I know that one day soon
The sun is gonna shine
I pray, yeah
One day I'll see you again
Oh

After the rain (Oh)
The sun shines
Then a brighter day (Brighter day)
After the rain (Oh)
Change comes (Yeah)
Nothing stays the same (Nothing ever stays the same)
After the rain (Oh)
The sun shines (After the rain)
Then a brighter day
After the rain (Oh)
Things gonna change
There's no more pain
After the rain (After the rain)

After the rain
Things will get better
So baby dry your eyes
After the rain
Every days a struggle
So there's no need to cry
After the rain
Gotta keep your head up
You gotta stay strong
