"Again And Again"

INTRO
I've tried so hard to make you understand
That it's over, yes it's over

Why can't you let it go
I'm not yours anymore
I want you to know
Tried so hard to explain
But it seems from your presence
That it's all in vain
Say good bye, let it go
Say you wanna come back
But I don't wanna know, wanna know, baby

CHORUS
Again and again and again and again and
again and again
You come back to me boy
You come back to me boy
Again and again and again and again and
again and again
You come back to me boy
But you don't hear me no

Leave me the .. alone
Don't make me change my number
Don't make me change my home
Believe me when I say
You need some help from someone
But that someone ain't me
'Cause you wanna be the man,
that keeps knocking on my door
No, it's not OK
'Cause you keep running in and
running out of my heart

CHORUS
Again and again and again and again and
again and again
You come back to me boy
You come back to me boy
Again and again and again and again and

again and again
You come back to me boy
But you don't hear me no

BRIDGE
I tried to, to want you,
but you don't hear me no
Again & again you keep coming around
When all you wanna do is let me down
I don't feel you no more
But you still callin' me boy
Why can't you see
That you're wastin' my time?
It's over with, you're out of my life
You need some help from someone
Now leave me, leave me the hell alone

CHORUS
Again and again and again and again and
again and again
You come back to me boy
You come back to me boy
Again and again and again and again and
again and again
You come back to me boy
But you don't hear me no

Again and again and again and again and
again and again
You come back to me boy
You come back to me boy
Again and again and again and again and
again and again
You come back to me boy
But you don't hear me no
