Anytime you want me just say so  
Cause when it comes to you i cant say no  
Anytime you want me just say so  
Cause when it comes to you i cant say no  
Theres somethin about ya babe  
I aint livin without ya babe  
So ill let you know  
Anytime you want me just say so

*[Verse 1]*

Somethin bout the way you move always gets me in the mood  
And every lil thing you do makes me wanna get with you  
Maybe its the way you flow that makes me wanna lose control  
Well maybe i should let you know  
Anytime boy just say so

*[Chorus]*

Anytime you want me just say so  
Cause when it comes to you i cant say no  
Theres somethin about ya babe  
I aint livin without ya babe

So ill let you know  
Anytime you want me just say so

*[Verse 2]*

There's somethin bout the way you smile  
Always seems to drive me wild  
Maybe it is just your style  
That makes me wanna stay awhile  
We can take it nice and slow we can turn the lights down low  
Dont nobody have to know i wont tell how far we go

*[Chorus]*

*[Verse 3]*

I think about you every night and day  
You're on my mind

I never thought that i would feel this way  
I cant deny  
That when i think of you  
I seem to lose my cool  
Here i go, boy you know  
Anytime you want me just say so

*[Chorus til fade]*
