Let's go back to disco
(Disco)
Back to the 70's

I'm taking it back to disco
(Disco)
When everything was sweet

Let's go back to disco
(Disco)
They wore bell bottom jeans

I'm taking it back to disco
(Disco)
Just go with me

Even though I wasn't there I'm trying to bring it back
Afro centric hair and riding Cadillac
Platform heels and rocking bell bottom jeans
You know what I mean

With the butterfly collars and the miniskirts
How I wish I could've seen a Jackson 5 concert
(Live)
Maybe I should build a time machine
So I could go back then when disco was in

Let's go back to disco
(Disco)
Back to the 70's

I'm taking it back to disco
(Disco)
When everything was sweet

Let's go back to disco
(Disco)
They wore bell bottom jeans

I'm taking it back to disco
(Disco)
Just go with me

Now it's all about Gucci and Prada
If you ain't got it you ain't nada
Let's go back to the early days
When individuality was embraced

Back to romance when the music made you wanna
dance
(So let's get down on it)
Then they leave the club in the Cadillac
(Sunroof top, diamond in the back)

Yeah, that's how I wanna roll
So who wants to go with me 'cause that is where it's at
But if you'd like to you can wait until I bring it back,
disco

Let's go back to disco
(Disco)
Back to the 70's

I'm taking it back to disco
(Disco)
When everything was sweet

Let's go back to disco
(Disco)
They wore bell bottom jeans

I'm taking it back to disco
(Disco)
Just go with me

Friday night skating rink, if a fella liked you
He would wink asked you out on a date
Then took your hand, couples skate
Disco ball on the floor, grooving to the commodores

Get down tonight, sunshine band
Donna Summer, last chance for love
(Disco)

Do it tonight
(Disco)
Do it all night
(Disco)

Meet me in the basement
(Disco)
I wanna take it back to disco

Let's go back to disco
(Disco)
Back to the 70's

I'm taking it back to disco
(Disco)
When everything was sweet

Let's go back to disco
(Disco)
They wore bell bottom jeans

I'm taking it back to disco
(Disco)
Just go with me

Let's not wait grab your applejack hat
Tonight it's going down
It's a party in my basement
Blue light, blasts from the past

We're getting down
(disco)
Let's take it back to disco
(disco)

Come and meet me in my basement
(disco)
Soul clap with it
(disco)

Let me take you back
(disco)
Let me take you back
(disco)
let me take you back
(disco)

Let's go back to disco
