**(feat. Jadakiss)**

*[Jadakiss]*

Uh, huh

I don't wanna get the best of you, ha-ha (whoa)

Yo, yo

*[Mya]*

You put me on

I can't let let him go no

Can't let you get, oh no

*[Verse 1:]*

He has a little game that he plays

Clever little ways and a hot boy style

Racks up on the dough that he makes

Flash a little cash watch girls wild out

Lately he's been checking for me

Telling me how much he wants to be

Wants to be the one to replace

Replace the man that waits at home for me

*[Chorus:]*

Oh no I can't let you

Get the best of me

Even though deep inside

Something's dying to see

How you flow out them clothes

Then you put it on me

Feelings coming on strong

I know that it's wrong

I can't let you get the best of me

The best of me

*[Verse 2:]*

So busy trying to play with my head

Telling me how he could blow my mind

Something about the things that he said

Made me want to take it there one time

I should be walking away

Cause his hands up on my thigh

Should I leave, should I stay?

After all it's just one night

*[Chorus]*

*[Jadakiss Verse 3:]*

Yo yo yo I got so many bags of money  
That they won't fit in the bank  
And I'mma do this just like Tony did it to Frank  
But I'mma make sure both y'all win  
Let him keep the place you move  
And I'mma pay both y'all's rent  
So forget about the condo and come to the crib  
Cause the castle over the mountain come with a bridge  
You know literally we can go shopping in Italy  
Hand on her thigh she don't wanna get rid of me  
And she don't drink or know how a L look  
Chanel look mixed with the Pete Arnell look  
You just stay pretty while I'm running the city  
When I whip the V you can hold the joint if you with me  
Vacation cost a hundred and fifty we living it up  
I put it on your ass if you giving up  
And you know I'm not a hater  
And if you feel bad then you can call him later  
And tell him you all Jada's

*[Mya]*

Oh no I can't let you  
Get the best of me  
Even though deep inside  
Something's dying to see  
How you flow out them clothes  
Then you put it on me  
You ain't gonna get to me  
You can't get the best of me

*[Chorus]*

Oh no I can't let you  
Get the best of me  
Even though deep inside  
Something's dying to see  
How you flow out them clothes  
Then you put it on me  
Oh yeah, oh...
