Please don't, please don't, please don't, please don't,  
please don't?, baby nooo?  
cuz I don't  
cuz I don't, I don't, I don't, I don't?, naw baby, baby (2x)  
cuz I don't wanna...

{Verse 1}:

I know what your father did to your mother  
and I am sorryyyy  
But I ain't gone let history  
repeat itself, no  
Put your hands down right now  
and back up mothafucka  
I suggest you stop and think before you swing  
I'll help you get some help  
cuz u ain't ?bout to use me as no punchin? bag  
You stressed out then count to 10  
you wanna act a fool  
and throw a tantrum  
and call up your knuckle head friends

{Bridge}:

I told you twice before  
I'm not the chick you wanna fuck wit  
cuz its problems, big problems  
and you won't live to see me solve them, naaaw...

{Chorus}:

If you ever raise your hand at me again  
a bitch is goin? straight to the pin  
cuz I'm not taking that bullshit from no damn body (no,  
no...)  
If you ever lay a hand on me again  
Imma have to tell my family and my friends good-bye,  
for life  
cuz I might blackout (blackout)

Please don't (aww baby), please don't, please don't,  
please don't?  
don't make me blackout  
You should know better  
than to take me there

cuz I will  
blackout on your fancy mansion  
blackout on your mercedez benz

blackout on your ass in public  
blackout along wit my scissors

{Bridge}:

I told you twice before  
I'm not the chick you wanna fuck wit  
cuz its problems, big problems  
and you won't live to see me solve them, naaaw...

You lay a hand on me  
I ain't callin? 911  
taking matters into my own hand and then yo ass is  
done, ohhhh

{Chorus}:

If you ever raise your hand at me again  
a bitch is goin? straight to the pin  
cuz I'm not taking that bullshit from no damn body (no,  
no...)  
If you ever lay a hand on me again  
Imma have to tell my family and my friends good-bye,  
for life  
cuz i might blackout (blackout)

Lemme see your hands in the air  
and I swear  
I wont care, blackout  
Keep pushin? my buttons  
and ohh, you don't wanna see me  
Blackout on your fancy mansion (like left-eye)  
blackout on your mercedez benz (like Jazmine did)  
blackout on your ass in public (I won't be so being  
nicer)  
blackout (I don't really give a fuck)

Please don't make me, please don't make me, please  
don't make me blackout  
cuz I don't wanna, I don't wanna, I don't wanna blackout  
I keep a baseball bat in the back of the rover  
so please don't make me blackout  
Hide your knives in the kitchen  
cuz if I get to one of them, then baby its over...
