### "Cry No More"

I'm missing you, I'm missing you, I'm missing you  
I'm missing you, I'm missing you, I'm missing you

I'm sitting here, thinking about you baby  
And all the things we used to do  
You know that it is driving me so crazy  
Everyday that I am without you  
I can't wait for the day that you come back home  
'Cause you been gone way too long  
Now that hurting ever since you kissed me goodbye  
And I need you right here by my side

*[Chorus:]*

'Cause I don't wanna cry no more  
I don't wanna cry, no more, I don't wanna cry, no more  
And I don't wanna cry, no more  
I don't wanna cry

I had to stop turning on the TV  
I was too afraid to see you on the news  
Just the thought of losing you is killing me  
I gotta know my faith ain't got to pull me through  
Is there something that I can do to stop me from  
missing my boo  
But everything reminds me of you so much and what's  
I'm praying that you will return again

*[Chorus:]*

'Cause I don't wanna cry no more  
I don't wanna cry, no more, I don't wanna cry, no more  
And I don't wanna cry, no more  
I don't wanna cry

Baby, I just don't wanna cry no more  
I need you to dry my eyes so come and wipe all these  
tears away  
I'm missing you each and every day  
Baby, I just don't wanna cry no more  
I need you to dry my eyes so come and wipe all these  
tears away

I'm missing you, I'm missing you

*[Chorus:]*

'Cause I don't wanna cry no more  
I don't wanna cry, no more, I don't wanna cry, no more  
And I don't wanna cry, no more  
I don't wanna cry

I don't wanna, I don't wanna, I don't wanna  
I don't wanna cry, no more, I don't wanna cry, no more

And I don't wanna cry no more  
And I don't wanna cry no more  
And I don't wanna cry no more

Baby, I just don't wanna cry no more  
I need you to dry my eyes so come and wipe all these  
tears away  
I'm missing you each and every day  
I don't wanna cry
