[Chorus]

Don't be afraid to look in my eyes
I'll catch you if you fall in love
Don't be afraid of holdin' me tight
'cause I know what you're thinkin' of
Don't be afraid just say that you're mine
I'll catch you if you fall in love
You don't have to be afraid
You don't have to be afraid
if you fall my way boy I'll catch you.

[Verse 1:]

Listen baby...

I know it never felt so good
I know it never felt so right
I know you never thought I would,
be alone with you tonight *[well]*
That look in your eyes it just let's me know

You don't have to be afraid
I'll catch you if you fall my way
Sooo...

I know you never felt like this
'til I wound up lyin' next to you *[yeah]* echoes

You don't have to be afraid
catch you if you fall my way boy
