Verse 1 mya  
Almost had encounter  
With third kind  
Cause he wasn't listen  
We fight and fuss eveytime  
We invited guess you to be on me  
You better it slow down  
If you nasty and you nothin to say to me  
If you forget about me  
I'm one put those it was my money who buy those for  
you watch, ike you be ballin if it me who hold it my  
heart who love you no women can live for you, only you  
see this me only you see it emotional

Now you to get through  
Will your heart let you through man I recall who need  
who you you comeback like sick I get through you put  
me down my heart is strong than you think always  
pamine with mind my head smart think you think boy so  
I got to pick up cause you won't my emotional you play  
with baby emotion nal.....  
nal.....nal.....nal.....

Stop right there I had enough of your lie why you got  
lies it promise that you keep I keep movin on emotional  
so don't force I know it sad tryin keep my sanity but you  
won't let up emotional I keep on trying with you until I  
die emotional who got me no think you can no better  
emotional

Emotional whatt I'm tell you why got over tried deal with  
the stress yes come foryoy yes came for you no think  
you van no better I put all emtional into I don't know  
what I see thought I was first I keep on walking
